Sir:

In reply to the Office Action of **March 10, 2004** wherein restriction has been required, Applicant hereby elects Group II (claims 25-31) with traverse, for prosecution in the above-identified application, the period for reply being extended from **April 10, 2004** to **May 10, 2004**, by a Petition for a One-Month Extension of Time, filed herewith.

Thus, it is respectfully submitted that the search and examination of the entire application could be made without serious burden. See MPEP §803 in which it states that "if the search and examination of an entire application can be made without serious burden, the

Examiner must examine it on the merits, even though it includes claims to distinct or independent inventions.” It is respectfully submitted that this policy should apply in the present application in order to avoid unnecessary delay and expense to Applicant and duplicative examination by the U.S. Patent and Trademark Office.

If the Examiner believes that any additional changes would place the application in better condition for allowance, the Examiner is invited to contact the undersigned attorney, Daniel Y.J. Kim, at the telephone number listed below.
